

IBC CONTAINER HEATERS 0-90°C WITH CASING OF TEFLON COATED POLYESTER

Properties

The standard range of IBC – Intermediate Bulk Container heaters in stock are specifically designed to heat viscous products and thereby facilitate emptying containers.

They are also very effective to keep the content at a consistent temperature and to avoid freezing.

Ideal for heating water, oils, chemicals, resin, Vaseline, glues, adhesives, wax e.g. lanolin, fats, butter e.g. butter oil, syrup, sugar and other industrial liquids or foods that must have a uniform temperature or viscosity allows them to be poured or pumped with ease.

The IBC heater jacket is designed in a durable long lasting high quality lightweight performance with quick release webbing straps to ensure easy attachment to any standard 1000 liter container.

Technical specification

Material	Casing of Teflon coated polyester, silicone heating wire and polyester insulation
Drum sizes	1000 litre standard size container of brand Schüts, Mauser, GNX, Hoover, Werit, Greif etc.
Assembly	Adjustable quick release buckles
Electric connection	3 m power cable without plug
Temperature control	1, 2 or 3 digital thermostats 0-90°C with timer functions
Temperature limiter	Safety thermostat
Protection class	IP 40
Warm up duration	Approx. 48 h at 1000 liter water from 15°C to 50°C with 2x1000 W heater and insulation lid Approx. 48 h at 1000 litre water from 15°C to 70°C with 3x1000 W heater and insulation lid
Standards	EN 60335-1, CE

Standard assortment

Power W	Voltage V	Dimension LxB mm	Article no
2x1000	230	4400x1000	3051192301
2x1000	110	4400x1000	3051192303
3x1000	230	4400x1000	3051192401
1300	230	4400x1000	3051192501
1300	110	4400x1000	3051192503

Options

Silicone base heater article no 3051393701

Insulation cover in Teflon coated cordura article no 3051393401

Insulation top cover in Teflon coated cordura article no 3051192601

Insulation cover in nylon article no 3051393402

Insulation body cover in nylon article no 3051393501

Waterproof PVC cover article no 3051192602
